SYNCHRO: TERMS AND CONDITIONS OF SERVICE

1. THE CONTRACTUAL RELATIONSHIP

These Terms and Conditions ("Terms") constitute a legally binding agreement between **you** ("The User," "Merchant," or "Buyer") and **Synchro** ("the Company"). By generating, clicking, or interacting with a "Safe-Link," you acknowledge that you have read, understood, and agreed to be bound by these Terms.

2. DEFINITION OF SERVICES

Synchro provides Trust-as-a-Service (TaaS) infrastructure. We act as a **neutral facilitator** between a Merchant and a Buyer to close the "Trust Gap" in the Kenyan digital economy.
The Safe-Link: A digital instrument that holds a transaction notification in a "Pending" state until fulfillment is verified.
The Trust Window: The 24-hour period following delivery during which funds are held to protect the Buyer.

3. NO AGENCY OR PARTNERSHIP

Nothing in these Terms creates a partnership or employer-employee relationship. Synchro does not sell, hold, or deliver physical goods. We are a technology provider securing the financial intent of the parties.

4. SERVICE FEES

Synchro charges a transaction facilitation fee. This fee is dynamically calculated and displayed to the User at the point of "Safe-Link" generation. By proceeding, the User agrees to the fee as presented.

5. DISBURSEMENT

To ensure the integrity of the exchange:
Holding Period: Upon payment, funds are held in a secure settlement account.
Verification of Delivery: The 24-hour "Trust Window" begins the moment the Merchant marks the item as "Delivered" or provides valid tracking data.
Automatic Release: Funds will be disbursed to the Merchant's nominated channel exactly 24 hours after delivery, provided no Dispute is raised by the Buyer.

6.BUYER PROTECTION

In alignment with our mission to secure the digital economy:
100% Refund Guarantee: If a Buyer raises a valid dispute (e.g., Non-delivery) within the 24-hour window, the Buyer shall receive a 100% refund of the purchase price.
Merchant Accountability: Merchants who repeatedly trigger 100% refunds due to non-fulfillment will have their "Safe-Link" privileges revoked and may be blacklisted from the Synchro ecosystem.

7. **LIMITATION OF LIABILITY**

In accordance with the Laws of Kenya, Synchro's liability is strictly limited:
Synchro shall not be liable for any incidental or consequential damages arising from a Merchant's failure to deliver.
Our total liability for any claim shall not exceed the transaction fee earned by Synchro for that specific "Safe-Link."

8**. PROHIBITED USES**

Users shall not use Synchro for the sale of illegal substances, counterfeit goods, or money laundering activities. All suspicious transactions will be reported to the Financial Reporting Centre (FRC).

9**. GOVERNING LAW**

These Terms are governed by the **Constitution of Kenya (2010)** and the **Consumer Protection Act (2012**). Any disputes shall be subject to the exclusive jurisdiction of the Courts in Kenya.
